

**MARIAN CECILE LIMACHER, M.D.**  
**Term: 2005**

Dr. Marian Limacher, Professor of Medicine in the Division of Cardiovascular Medicine at the University of Florida (UF) College of Medicine, is a non-invasive cardiologist with interests in heart disease in women. She is a member of the Board of Trustees of the American College of Cardiology (ACC) and currently chairs the Women in Cardiology Committee of the ACC. She received one of the limited number of NHLBI's Preventative Cardiology Academic Awards.

Dr. Limacher is the Principal Investigator of the UF's Clinical Center for the Women's Health Initiative. She also directs the UF Advanced Postgraduate Program in Clinical Investigation, funded through the NHLBI's Clinical Research Curriculum Award (K-30). She is an associate editor for Journal Watch Women's Health and the Clinical Journal of Women's Health. She is also a member of the NHLBI's Board of Extramural Advisors. Dr. Limacher has participated in a number of clinical trials and has published research and invited articles on topics of cardiology and women's health. Dr. Limacher completed her term in 2001 for the NHLBI Board of Extramural Advisors.

She serves as President of the Society of Geriatric Cardiology and Chair of the Women's Health Initiative Morbidity and Mortality Committee.
